

YOUR VOICE MATTERS

Setting Research Priorities for Batten Disease (Neuronal Ceroid Lipofuscinoses)

In partnership with the BDSRA
Foundation:

- We invite you to share your ideas about research needs for Batten Disease by completing a short anonymous survey.
- Your input will help to drive research priorities and investment in Batten Disease.
- We encourage you to share the survey link with other Batten Disease stakeholders.

How can you contribute?

Scan the QR code to complete the survey
