

EYE SCAN STUDY!

Conducted by the Flaum Eye Institute

2025 BDSRA Annual Conference

July 10-13, 2025

Lincoln Marriott Cornhusker Hotel 333

South 13th Street

Lincoln, Nebraska, 68508

**University of Rochester
representatives from the Flaum
Eye Institute in Rochester, NY,
who specialize in Batten disease
research, are here conducting a
study to better understand
“how” vision loss occurs in NCLs.**

**PLEASE STOP BY THE FLAUM EYE
INSTITUTE BOOTH FOR MORE
INFORMATION & TO RECEIVE OCT &
OCT-A IMAGES (retina scans) OF
YOUR EYES!**

**You will be paid \$35
if you qualify to participate**

A PERSON MAY QUALIFY FOR SCANS IF:

- **THEY HAVE A CLINICAL DIAGNOSIS OF ANY FORM OF BATTEN DISEASE
(e.g., CLN1, CLN2, CLN3, CLN4, CLN5, CLN6, CLN7, CLN8, CLN11)**
- **THEY ARE A BIOLOGICAL PARENT OR SIBLING OF A BATTEN PATIENT**

**If you want to schedule a time in advance to schedule the retina
imaging appointment at the conference , please email or call/text Dr.
Ruchira Singh (ruchira_singh@urmc.rochester.edu or 608-807-9856)**
